

More info, labs, and projects here

# Stem Cells and Regenerative Medicine

[www.armi.org.au](http://www.armi.org.au)

## Key Areas of Research:

- Heart and Muscle Development and Regeneration
- Immunity and Regeneration
- Stem Cells and Regeneration
- Neural Regeneration
- Organ Engineering and Synthetic Biology

## Honours Coordinator:

- Dr Jan Manent ([jan.manent@monash.edu](mailto:jan.manent@monash.edu))

Student Information Session:  
**25<sup>th</sup> August**  
**3pm-5pm**
